

# McDermott Light & Signal

**Certified to meet requirements for unmanned barges per UL 1104**

**BGLEDCase-Port-Mag-PE-4.5-SB**

The most advanced solar barge navigation light available. Enjoy years of service with no maintenance and use the power of the sun.

**LED LIGHT REDUNDANCY:**  
If the primary light burns out, the alternate backup light turns on.

Each Barge Navigation Light has its own solar panel and power source.

Lights turn on automatically during the night time and turn off during the day time
